7. Confirmation

You have submitted your online application form for the ParisTech International Admission Program.

There will be several steps possible before the announcement of the final admission to one ParisTech engineering school.

- Online application form completed and submitted by candidate.
- Online application form received by ParisTech.
- Application is either approved or not by ParisTech.
- If approved, you will be called for the scientific test.
- If you are successful, you will be asked to take an interview with the relevant ParisTech jury.
- After the interview, if successful, you will be preselected by one or several ParisTech schools.
- If you are preselected, you will be requested to rank the schools by order of preference.
- The jury will then decide if you are admitted or not, and in which school you are admitted.
- You will then have 7 days to either accept or refuse the offer.

**The button becomes green when you are successful at each step**

Dear applicant,

After careful examination of your application, we are sorry to inform you that you were not accepted by ParisTech Schools.

The ParisTech Admission procedure is very selective, and the large number of applicants with a good academic level in accordance with our criteria forces us to offer admission only to a selection of candidates.

However, since your academic level is good, we encourage you to look into the Master programs offered by ParisTech Schools for another opportunity to come study in France.

We thank you again for your interest and wish you every success in your future studies!

Steps and follow up

1. Online application filled
2. File approved by the jury
3. Written test
4. Interview
5. Selection
6. Admission
7. Confirmation

You have submitted your online application form for the ParisTech International Admission Program.

There will be several steps possible before the announcement of the final admission to one ParisTech engineering school.

- Online application form completed and submitted by candidate.
- Online application form received by ParisTech.
- Application is either approved or not by ParisTech.
- If approved, you will be called for the scientific test.
- If you are successful, you will be asked to take an interview with the relevant ParisTech jury.
- After the interview, if successful, you will be preselected by one or several ParisTech schools.
- If you are preselected, you will be requested to rank the schools by order of preference.
- The jury will then decide if you are admitted or not, and in which school you are admitted.
- You will then have 7 days to either accept or refuse the offer.

# SENDING AN EMAIL TO THE JURY

The screenshot shows the 'Contact' page of the ParisTech International Admission Program. The page has a header with the ParisTech logo and 'International Admission Program'. Below the header are three tabs: 'Application', 'Steps and follow up', and 'Contact'. The 'Contact' tab is highlighted with a red circle. Below the tabs, there is a text prompt: 'If you need to contact the ParisTech jury president, please complete the frame below.' followed by 'Your request:'. There is a large text input field with a double-slash icon at the end. To the left of the input field is a teal box with the number '2'. To the right of the input field is a teal 'SEND' button. A teal arrow points from the 'SEND' button to a teal box with the number '1' located below the input field. Another teal arrow points from the '1' box to the input field itself. The input field is labeled 'Enter your message'.
